General Base Map

Legend
- Proposed 1-50
- Proposed 1-269
- U.S. Highways
- National Hydrography Database (NHD) 1999 as hydrology source;
- National Land Cover Database (NLCD) 2001 as impervious and canopy source;
- National Agriculture Imagery Program (NAIP) 2007 as source imagery;
- Topologically Integrated Geographic Encoding and Referencing system (TIGER) 2000 as transportation source.

Projected: Geographic
Datum: NAD-83
